

FOOTBALL AT THE PARK.

The Houston Team Wins an Easy Victory Over Waco.

The unequal score of 23 to 0 tells the story of yesterday's football game at base ball park between Ad Ran college of Waco and Houston, the 23 being made by Houston. Three touchdowns in first half by Druesdown, Shaw and Franklin, Druesdown each time easily kicking goal, and a touchdown just as time was called on second half, from which Houston failed to kick a goal, make up the 23 points.

At no time were the Ad Ran boys able to gain ground, nor stop Houston's steady gains. The Waco team, however, played an excellent game against odds and many of the local players will have cause to remember them.

Houston's team has improved rapidly since the first game with Galveston on Thanksgiving, and unless the Island City boys put up a better team than they had here, the score will be a large one in Houston's favor Christmas Day in Galveston.

The attendance was only fair, composed mostly of the younger society people. Houston is not a football town. The line-up: Houston: Druesdown, Capt., Full back... Sperry, Capt. Watters... Left end... McClelland... Quarterback... Left guard... Strande... Center... Dwyer... Right guard... Montgomery... Fullback... Right tackle... Herring... Franklin... Right end... Knox... Shaw... Left half back... Thrasher... Curry... Right half back... Thrasher... Harding... Quarterback... Starke... Substitutes: Houston: Smith, Lyons, Hutcherson, Ketterson, McLoughlin, Waco: Hildebrand, Clark, Elgin.

FOUND NOT GUILTY.

Dr. Thrash Acquitted of Murder and Other Cases Dismissed.

About 11 o'clock yesterday morning the jury in the case of Dr. D. E. Thrash, charged with the murder of Lillie Jarvis by performing an abortion, brought in a verdict finding the defendant not guilty, whereupon the State entered a noli prosequi in the other two cases, where the defendants Mrs. Lewis and Chas. Fisher, were charged jointly with the same offense of which Dr. Thrash had been found guilty.

Thus the case has ended and there will be no further prosecution of these defendants. After the matter had been thus disposed of Mrs. Hildebrand, feeling that her daughter's death had not been sufficiently avenged, walked over to Judge Fisher, who, according to the testimony, in the case was charged with being responsible for her daughter's condition and struck her a blow in the face, but the interference of bystanders prevented any further scene in the courtroom and the defendant passed almost unnoticed and was not brought to the official cognizance of the court.

NEGLIGENCE HOMICIDE.

In the Verdict of the Inquest Over Tom Watson.

Mention was made in yesterday's Post of the rather peculiar circumstances surrounding Tom Watson's death.

Watson was a colored convict at the county farm. He complained of being sick and J. W. Allen, a white prisoner, gave him some medicine. After this Watson came to the kitchen and getting into Watson's month. The result was that Watson died from the effects of the medicine.

Allen, who had been found guilty of manslaughter, was charged with negligence homicide. The jury found him not guilty.

La Porte Local.

The following news items are sent in from La Porte:

It is quite certain that over 600 acres, will be planted in cotton in this vicinity next season; probably 1000 acres, if a gin is secured. Parties from Travis county are now negotiating with that end in view.

Miron Rhodes of Galesburg, Ill., arrived here today.

Dr. J. M. Linsberger of Dallas City, Ill., is enjoying his twenty-first visit to La Porte.

J. G. Brewer and son of Iowa have just purchased a fifty-five acre tract and will improve it at once.

Dr. J. C. Smith of Woodstock, Iowa, was a visitor here yesterday.

Dr. N. F. McCoy left Thursday for Mexico, Mo., to spend the holidays with his wife and daughter. He entertained a number of his friends at a "stag party" at the Arden hotel the night before his departure.

Miss Sarah Gooch has resigned her position as teacher of the intermediate department of the La Porte school.

J. T. Baker has been elected to fill the vacancy existing on the board of aldermen.

The Misses Scott very pleasantly entertained the young people of La Porte last evening at their delightful home on San Jacinto bay. A new social society, the "Nonpareil," was formed, which promises to add greatly to the winter diversions.

Dr. J. C. Clark and wife of Prairie Hill, Texas, arrived here Thursday and will soon build them a home.

H. B. Reid of Nacogdoches is spending a few days at La Porte.

Many visitors from the North are enviously arriving here, some to spend the winter and others in search of homes.

leptic state and with his head on one chair and feet on another, four heavy men sat on his stomach, but he was rigid as a piece of iron.

The subject was then robed in a night gown and put to sleep. His nerves were jumping in such a way as to cause his entire frame to jerk and tremble during the time he was being put to sleep. His eyelids, though closed, also twitched so violently and the adam's apple made such rapid trips up and down his throat that if he slumbered at all, which many doubted, it was anything but a quiet sleep.

The suspicion that the two men were operating as confederates and the fact that the subject was known to any of the audience threw a suspicion around the operation.

But the sleeping man will be left on his couch in Jones' show window for seventy-two hours and Mr. Jones says he intends to see to it that he has neither water nor food during that period.

He will be carefully guarded both day and night.

Mr. F. L. Colgrove of the Hartford Insurance company volunteered to stand guard last night.
